

TANGO[®] espresso

from **UNIC**

MODEL
Tango S Duo

SUPER AUTOMATIC TWO GROUP

spec sheet

PRODUCT CODE : TDUO

General Features

Dual Group super automatic two-step espresso maker with automated steam and foaming wand for milk drinks. This unit is typically operated for capacities upward of 48 lbs. per week. Designed for rugged commercial application and high performance during rush periods. Two 60,000 cycle piston seals require the Duo the least amount of intervention. The two independent stainless steel brewing chambers and software design replicate and consistently deliver infusion parameters found in barista controlled equipment. Adjustable and transferable settings via user cards.
